## PROJECT TO LOWER RAILWAY'S TRACKS ON BOULEVARD

Improvement Association Is  
Urging City To Establish  
Grades At Crossings

One of the important matters taken up at the meeting of the Brand Boulevard Improvement association, which met last night at the Chamber of Commerce, Mattison B. Jones presiding, was the question of lowering the Pacific Electric tracks the entire length of Brand boulevard. This matter had been referred to a committee of twelve at a previous meeting, the members of which are Mattison B. Jones, chairman; Clinton L. Booth, O. A. Lane, Hal Davenport, D. Ripley Jackson, A. W. Beach, A. G. Spohr, Charles B. Guthrie, J. W. Usilton, Kemper B. Campbell, T. W. Watson and Hartley Shaw.

As chairman of the committee, Mattison B. Jones told of efforts which had been made to have the Pacific Electric improve its right of way and lower its tracks, which they refused to do on account of the financial condition of the company. It appears, he stated, that the company is far in arrears, which it is stated is partially due to the storm of several years ago, which washed out bridges and tracks.

Mr. Jones stated that a letter had been received from the company expressing their desire to co-operate, but giving no definite statement of their willingness whatsoever. In other words, he said, their project is to delay any movement whatever which may be desired here.

The lowering of the tracks would mean an expense of between \$200,000 and \$300,000, it was stated.

The committee of twelve appointed a sub-committee of three, consisting of Kemper Campbell, Hartley Shaw and T. W. Watson, the purpose of which was to formulate a policy for some definite procedure to be followed by the association. Mr. Campbell presented the report of this sub-committee, which contained the following recommendations:

1—That the city of Glendale immediately take definite steps to establish the grades of all street crossings over the tracks to correspond with the grades of Brand boulevard on either side. By this means the Pacific Electric railway can be compelled to lower its tracks at the grade crossings, which will ultimately result in lowering the grade of the entire roadway.

2—That Brand boulevard between Colorado street and the former Tropic boundary be paved and that proceedings be instituted immediately to that end. Under the law the Pacific Electric railway will have to pay its fair share of the cost of this improvement.

3—That such portions of the present right of way along Brand boulevard be condemned for street purposes and paved as from time to time may be necessary to keep up with the extension of the business district of the city.

4—That the Pacific Electric railway be urged to keep its right of way in a slightly condition and to all the same as far south as Los Feliz Road to prevent the growth of weeds thereon. That south of Los Feliz Road to the Southern Pacific tracks, where the right of way is considerably wider, the space between the curb and the tracks should be planted either by planting flowers or a lawn. This improvement is particularly desirable for the reason that practically all of the visitors to Glendale enter the city from the south and get their first view of the city along this portion of the boulevard, but the city can well afford to adopt this as a part of its park system, as it will transform an unkempt, unsightly railroad right of way into a beautiful and attractive boulevard garden.

On behalf of the committee Mr. Campbell stated that it seemed that no action could be hoped to be secured from the Pacific Electric voluntarily upon their part. On the other hand it would be entirely impracticable to expect the city to take care of this entire improvement. The lowering of the tracks at this time, he stated, appeared to be beyond the possibility of accomplishment.

Mr. Watson stated that as to the lowering of the tracks at crossings a resolution has already been adopted by the board of trustees ordering the establishment of the grades and that an ordinance was now in preparation to that end.

This committee's report was accepted and a motion carried that steps in accordance with recommendations be taken.

In regard to the recommendation of paving the roadway between Colorado street and the former Tropic boundary, a committee of five, consisting of

## Loud Wailing, Also Gnashing Of Teeth, J. Caesar Is Dead!

Most solemn were the ceremonies yesterday afternoon that accompanied the burial of J. Caesar.

The ninth period Latin class at the Glendale Union high school acted as pallbearers and guard of honor and the funeral procession was formed in one of the bungalow classrooms with much weeping and lamenting. With the appropriate words, "ashes to ashes, dust to dust," J. Caesar was slid into his grave, upon which a cross and flowers were placed by gentle hands.

The class then returned to a Roman feast which had been interrupted to bury the book, Julius Caesar.

### Feast of Oratory and—Read On

Not to be outdone in the way of "stunts" which usually conclude the strenuous year in the various classes at the Glendale Union high school, the debating class under the direction of Miss Mona Gardner held a mock banquet this week with toasts and everything except the food.

There was a real finish to the meal, however.

Miss Gardner passed around the after-dinner mints.

## American Legion Band Street Dance Tonight

Dancing tonight on the street at Brand boulevard and Broadway is the first of a series of big events this month to be staged by the American Legion. The American Legion band will furnish the music while the Women's Auxiliary will conduct concessions.

The mammoth sick fund benefit vaudeville will be staged next Wednesday night at the Palace Grand theatre, twelve stellar acts being billed. On Friday night, June 24, a boxing exhibition is scheduled.

At last night's meeting of Glendale Post, No. 127, resolutions of sympathy were extended the family of National Commander F. W. Galbreith in its bereavement. A committee was named to ascertain who would be delegates to the state convention in Yosemite and Charles Potter and Burt Richardson were initiated.

Former Commander A. Bessolo of Eagle Rock post was a visitor. More than two score former service men were present.

## Mr. and Mrs. R. McGee Entertaining Visitor

Mr. and Mrs. R. M. McGee of 128 South Isabel street are entertaining Mrs. McGee's step-brother, B. Ashley Grant of Corinth, Miss. Mr. Grant is secretary and treasurer of The Allen Properties—a corporation owning and operating twenty-two telephone systems in the southern states. During the past few months Mr. Grant has visited many northern and mid-west cities, as well as the principal cities of the south, and considers Los Angeles and Savannah, Georgia, the two most attractive cities in the United States. Mrs. McGee had never before seen her brother until Thursday night, hence his visit is most interesting. Mr. Grant will remain in Glendale several weeks.

## Large Banquet Given By Epworth League

Members of the Epworth League Sub-district held a banquet last night at the First Methodist Episcopal church, with representatives of the First Methodist church, Casa Verdugo Methodist church and Central avenue Methodist church leagues present. Toasts were given after the banquet by Will Holtz, retiring president of the Pasadena district; Joe Jones, the new president; Henry O. Melone, district treasurer; J. B. Clark, district secretary; Ethel Murphy, president of Casa Verdugo league; Rev. Dr. C. M. Crist, First M. E. church pastor. The speaker for the evening was Dr. W. L. Y. Davis, district superintendent, who chose for his topic "Influence." The banquet was attended by about seventy-five league members.

### VOLUNTEERS ARE WANTED

Secretary James M. Rhoades, of the Chamber of Commerce, wants volunteer circulators for the independent postoffice petitions on Monday and Tuesday of next week. He asks that any woman or man in a community who will do this work to please phone him at Glendale 1262 and he will take a petition to each of them.

Attorney W. E. Evans will take the petitions to Washington in person and present them to Congressman W. F. Lineberger and Postmaster-General Will H. Hays.

## HOLD JUNE WEDDING FOR FEATURE OF WOMEN'S UNION

Very Beautiful And Impressive  
'Ceremony' Takes Place  
At All-Day Session

A very beautiful June "wedding" took place yesterday afternoon at the Baptist church. It is doubtful if any wedding can surpass the one solemnized yesterday.

It was the all-day meeting of the Women's Union, and Mrs. J. Rodger Bentley had chosen "June Brides and Roses" as the topic for the day. A most successful program it proved to be from the very beginning, when the morning work began with white sewing for "brides" at 10 o'clock on through to the wedding itself.

The invitations very cleverly read "Wedding Luncheon at High Noon" and surely no bride's table appeared more festive than that at which all those present were seated at the noon hour. A "real" bride's cake formed the center piece, decked most gaily with Cecil Brunner rosebuds, and above this hung a beautiful cluster of white wedding bells.

Places for eighty were marked with clusters of little roses. Reminiscences of wedding days were given in the form of after-dinner speeches.

### Short Talks Are Made

After the luncheon Mrs. E. E. Ford, president of the Union, opened the afternoon session with song, devotionals and prayer. Reports from the different committees were made and short talks on the summer schools of mission were given.

Mrs. J. Rodger Bentley then introduced several brides of foreign lands and the following ladies were costumed to take their parts: Mrs. Orin Howard, Hindu bride; Mrs. A. Van Wormer, Mohammedan bride; Mrs. F. H. Boynton, Japanese bride; Mrs. Walter Stamps, Chinese bride; Mrs. Betsy Abbey, Burmese bride, and Mrs. Harry Chase as Alaskan Indian bride.

Each bride told something of the marriage customs of her native land and of the home life after marriage. Mrs. Bentley then told of the origin of some of our own customs which was very interesting. A piano duet was given by Mrs. Ray Bentley and Mrs. Thomas Hosking.

### "Wedding" Real Feature

The real feature of the afternoon came when strains of Lohengrin were softly played and the wedding procession advanced. No real wedding party could have been more dignified than the dear little folks who stepped down the aisles, keeping step to the familiar air.

First came little Margaret Chase as flower girl, dropping rose petals in the path of the bride. The tiny bridesmaids held ropes of asparagus fern with shasta daisies on each side of the aisle.

Following the tiny flower girl came dainty little Virginia Russell carrying a beautiful white calla lily in which was hidden the ring. The bridesmaids were gown in pinks and blues and these were Marion and Nellie Howard, Marion Maxwell, Betty Van Wormer, Helen Bentley and Ethelwyn Kent. With much solemnity Howard Kent took the role of the important minister, who tied the knot, his long black robe lending the air of grown-upness.

The demure little bride held all eyes for the moment. Little Miss Frances Harris made a most charming bride and true to all tradition was bedecked in pure white from the tip of her long flowing veil caught with tiny rose buds to her little white toes. In her arms she carried a shower bouquet of more tiny roses.

### Met By "Bridegroom"

The bridegroom joined her at the altar in quite the right manner and he was Master Malcolm Harris, and while they stood under a cluster of white wedding bells Mrs. Ray Bentley sang "Oh, Promise Me" and it is needless to say there were the usual tears in many eyes.

After the wedding the party were gathered on the steps of the church while pictures were taken.

The church was beautifully decorated with huge bowls of shasta daisies and pink roses. All present agreed that the day had been quite a success.

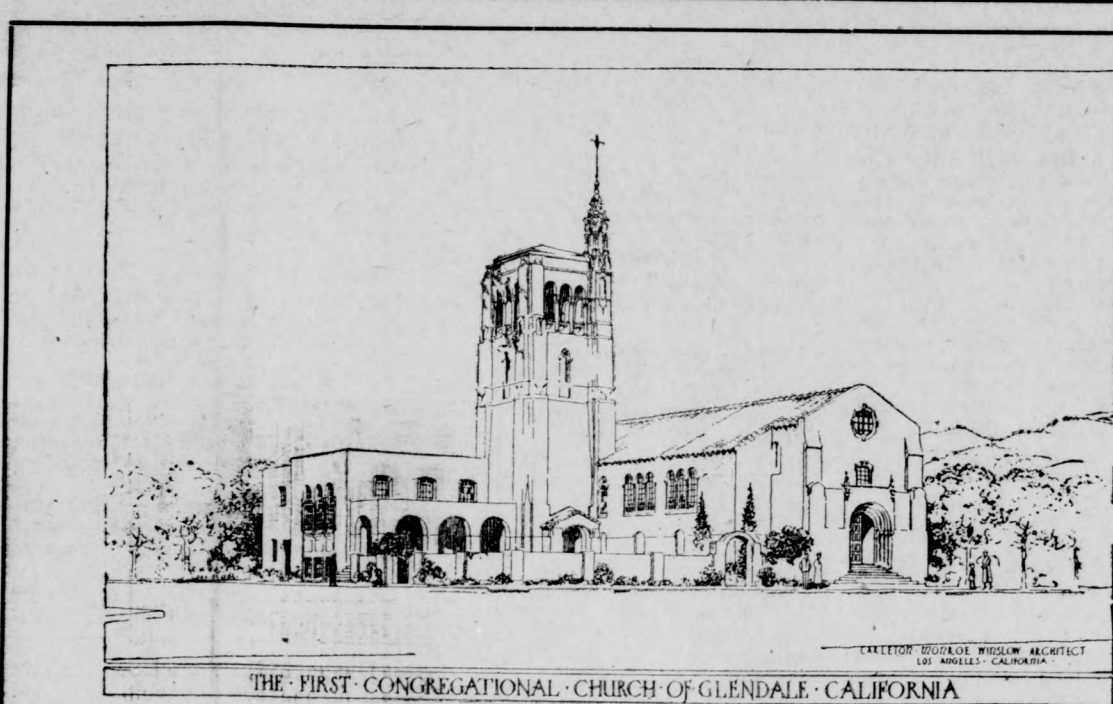

### MRS. J. F. WILDE HERE

Mrs. A. K. Crawford of 310 North Cedar street is entertaining her daughter, Mrs. J. F. Wilde from Portland, Oregon. Mrs. Wilde arrived last Saturday and will probably remain in Glendale until sometime in July. Mr. Wilde has gone to Chicago on a business trip and will stop in Glendale on his way back to Portland and Mrs. Wilde will accompany him to their home.

### MR. AND MRS. NEIL HOSTS

Mr. and Mrs. G. G. Neil of 360 West Colorado boulevard entertained at dinner last night George Umberg and William Walsh of Providence, R. I. Mr. Walsh left this morning for his home, but Mr. Umberg will spend several weeks in Pasadena.

## Drive Under Way To Secure Funds To Build New First Congregational Church Home; Every Feature Of Modern Structure Will Be Included

Proposed First Congregational church of Glendale from architect's drawing. The drive to secure money to finance the construction of the new church is now under way. Rev. Charles M. Calderwood is the pastor. He is a graduate of Grinnell College, Iowa, and also of Yale. He has had pastorates in New York City, Connecticut and Maine.

## CONGREGATION IS INCREASING FAST

Rev. Charles M. Calderwood,  
Pastor, Is Pleased With  
Showing Being Made

The drive to secure \$60,000 to finance the construction of the new First Congregational church of Glendale is now under way, following the dinner given Thursday night and reported in full in The Evening News of Friday.

The new church is to be erected on the site of the present church building at the corner of Central and West Wilson avenues. It is believed that every member of the congregation will agree that the proposed structure, as shown by the architect's drawing, presents a dignified and churchly appearance and that it will be a distinct credit to the church and the community.

The church design is the conception of Carleton Monroe Winslow of Los Angeles and reflects in a marked degree his sense of the artistic and the beautiful. By availing himself of a modified Spanish structure, he has not only produced an attractive and impressive structure, but one that is in harmony with the characteristic architectural development of Southern California.

### Interior Arrangement

Architectural beauty will not be confined to the exterior of the new building. Mr. Winslow will apply the results of his long and unusual training and experience to producing an interior arrangement and finish in complete agreement with the attractive exterior. In perfecting the interior plans, all of the various needs of the church will receive adequate consideration.

The main portion of the building, fronting on Central avenue, will constitute the church auditorium, with an approximate seating capacity of 750, while the requirements of the church school will be fully taken care of in the "parish house" portion of the building, forming the south extension, and the well lighted basement to be constructed under the entire building.

The needs of the Women's Auxiliary, Women's Missionary society, the Christian Endeavor society, and the other organizations of the church, as well as those of our social activities, will have careful attention. It is believed that the result will be a church plant complete in every respect and sufficient to meet our requirements for some time to come.

### Blending of Designs

The new church will be mainly Spanish in design and character, blended with characteristics of a Gothic nature, the effort being to have the structure significant of Southern California and at the same time express and be appropriate to the religious expression and uses of the Congregational church.

While the practical purposes of religious education, entertainment and recreation have been carefully taken care of, the building committee and architect have endeavored to make the whole building, and particularly the auditorium, thoroughly religious and devotional in character and spirit. The tower in the angle of the court helps to accentuate this character.

The nave will seat about 550 and the total seating capacity when the

## P.-T. A. FEDERATION HEARS TALKS UPON VARIED TOPICS

Thrill, Ethical Pictures On  
Screen And Experiences In  
War District Described

After a most interesting morning session, account of which appeared in yesterday's Evening News, and elaborate noon luncheon, the afternoon meeting of the Glendale Federation of Parent-Teacher associations conference, in charge of Mrs. John Robert White, began at 1 o'clock in the First Methodist church auditorium, with close to 300 members present.

The first part of the afternoon's program was given over to Mrs. Dora Gibson and members of her high school music classes. The first number presented by them was a group of original compositions written by the members of the first and second year harmony classes.

These compositions were played at the piano by Mrs. Gibson and sung by Julia Robinson, as follows: "Time to Rise" (Margaret Richardson); "Sing, Robin, Sing" (Selma Carver); "Pussy Willow" (Ruth Head); "The Goblin" (Genevieve Mulligan); "A Farewell" (Julia Robinson); "A Singing Brook" (Flora Kenny); "Memories" (Mary Florence Pate); "Margarita" (Constance Domslar). Kenneth Jackson then sang two solos "That Old Irish Mother of Mine" and "Fiddle and I," with Constance Domslar at the piano.

Nellie Rowe then gave two very clever readings, "Her New Hat," and "Sister's Steady." Another very delightful vocal solo was that of Dorothy Peart, who sang "Waiting." The next number was an instrumental trio, "Moment Musical" (Schubert), by Julia Robinson, Genevieve Mulligan and Selma Carver; Joe Rhodes then sang one of Cadman's selections, "Dream Tryst."

### Introduces Past Presidents

Past presidents of the federation were then called to the platform and introduced by Mrs. White, as follows: Dr. Jessie Russell, Mrs. Padelford, Mrs. C. E. Hutchinson, Mrs. Arthur C. Brown and Mrs. A. A. Barton, each of whom responded with a one minute talk, telling of their experiences while president of the federation.

Mrs. M. S. Kuehny then favored the members with a pipe organ selection, "From the South" (Gillett).

The next number on the program was a talk on "Thrill" by Mrs. Frederick Dow of Chicago. She urged

## Dr. Fred Howland, 52, Is Taken By Death

Dr. Fred Howland, aged 52, for years a prominent practicing physician in Boston, Mass., died at his home here, 405 Ethel street, on Thursday morning, after several years' battle for life. He was the beloved husband of Florence L. Howland, and father of Clark B., who survive to mourn his early passing over the last great divide.

A little more than six years ago, accompanied by his family, he came west to recuperate from overwork. Practically every climate was visited and several months ago the family came to Glendale from Tucson, Ariz., but it was of no avail. Possibly reverses in mining ventures in Mexico, where his estate lies principally, caused him undue worry, but with every ounce of vitality he warded off death until his physical body was so frail he no longer could help himself.

Dr. Howland was a member of the Masonic order, being a Knight Templar and Shriner. He also belonged to the Benevolent and Protective Order of Elks. Besides the widow and son he also leaves three sisters who are residents of Boston and other relatives.

Funeral services will be held on Monday morning at 10:30 o'clock from the undertaking establishment of Pierce Brothers in Los Angeles.

## Mrs. Jesse Chappius Is Hostess To Club

A meeting of the Semi-Monthly club was held at the home of Mrs. Jesse Chappius of 606 East Acacia avenue. Luncheon was served at 12:30 o'clock to about twelve ladies. The afternoon was spent in playing whist. The first prize was awarded Mrs. Charles Rudel and was a hand-painted plate. Mrs. Chappius also won a plate.

The guests included Mesdames Herman Nelson, John Lundregan, Carrie Schmitt, Peter Ferry, Mary O'Brien, John Houle, Charles Rudel, Fred Huesman, H. M. Dowell, Mary Rupprecht, Miss Emma Rupprecht and the hostess, Mrs. Chappius. Several piano solos were rendered by Mrs. Lundegar. The afternoon was enjoyed by all.

## Locals And Personals

W. F. Tower and family enjoyed  
an outing at Camp Ealdy the fore-  
part of the week.

Mrs. L. C. Wilson and her sister,  
Mrs. Scribner, have moved from Mar-  
iposa and Cypress to 212 South Cen-  
tral avenue.

Mrs. A. C. Burns, 202-A North  
Louise street visited at the home of  
Mr. and Mrs. Charles F. Monahan of  
Pasadena on Thursday.

Mr. and Mrs. H. G. Hosford of 233  
North Central avenue were dinner  
guests recently at the home of Mr.  
and Mrs. E. Chappella of Hollywood.

S. M. Collum and family will move  
into their new home, 216 South Cen-  
tral avenue on Monday. Their for-  
mer home, 443 West Colorado, has  
been recently sold.

Henry T. Anderson, retired, of  
247 North Orange street, is missed  
by his friends from the croquet  
grounds on Broadway and he is re-  
ported ill in a Burbank hospital.

V. E. Redman and family have  
moved from 212 South Central ave-  
nue to Burbank. Mr. Redman will  
have charge of the Walker Jewelry  
branch store which will open there  
in a few days.

Mr. and Mrs. F. M. Peckham of  
239 North Central avenue and Mrs.  
Peckham's parents, Mr. and Mrs. W.  
C. Rich of 112 South Isabel street,  
are spending the week-end at Peck-  
ham's cottage at Venice.

H. D. Charlton, of the architect-  
ural department of the Bentley-  
Schoeneman Lumber company, re-  
ports that he has just completed two  
sets of bungalow plans for the Rom-  
mel Construction company.

Miss Dorothy Rowley of 334 West  
Vine street was the dinner guest Fri-  
day evening of Miss Gladys May-  
grove of Los Angeles. These two  
young ladies are lifelong friends,  
having gone to grammar school to-  
gether in Sunland.

Mrs. Harry H. Powers of 707  
North Isabel street, who has been ill  
for the past six days, was ordered to  
the Research hospital Friday morn-  
ing by her attending physician. Mrs.  
Powers is the daughter of Mr. and  
Mrs. R. M. McGee.

Mr. and Mrs. Gabriel Laskin and  
their child, residents of Houston,  
Texas, have just arrived in Glendale  
for a visit with the former's parents,  
Mr. and Mrs. M. Laskin, 741 South  
Glendale. They expect to remain in  
the southland for about three  
months.

There will be a very interesting  
program given at the Tropico Pres-  
byterian church tomorrow morning.  
It being children's day, a great num-  
ber of the little children will speak  
and sing. There will be special mu-  
sic by the choir and by an orchestra  
of young people.

While cranking his Ford machine  
Thursday morning Herbert Besant,  
deliveryman of the Glendale Paint &  
Paper company, held on to the crank  
too long, and as a result he is now  
carrying his right arm in a sling.  
However, it was not a bad break,  
and he has already returned to his  
work.

Mr. and Mrs. F. R. Anderson of  
Des Moines, Iowa, who moved to Los  
Angeles last July, are among the  
latest newcomers to Glendale. At  
present they are located at 700 South  
Verdugo Road. Mr. Anderson is a  
contractor and builder and at the  
present time is doing some building  
in La Crescenta.

Mr. and Mrs. A. K. Finley of 434  
West Doran street entertained as  
their guests Thursday night the  
members of the men's class of the  
Christian church. After a short  
business meeting delicious refresh-  
ments were served by the hostess.  
The house was decorated with pink  
roses and sweet peas.

A party of friends, including E. H.  
Olmstead and N. H. Stanley of Glen-  
dale, Benjamin Worchester of Los  
Angeles and Milton Geithman of Al-  
hambra, spent Thursday on a deep-  
sea fishing excursion off the coast of  
San Pedro and Long Beach. The  
group chartered a small boat at Home  
Beach and stayed out practically all  
day. However, they say that it was  
an "off day" for the fish, and as a  
result a comparatively small catch  
was gathered.

Wesley Kuhnle, director Glendale  
branch of the Los Angeles Conserva-  
tory of Music at 551 East Cypress  
street, has several Glendale pupils  
who passed the examination of the  
board of four head teachers. Those  
who passed with the preparatory  
grade were Kathleen Lord and Mer-  
rill Emke; the intermediate grade,  
Albert Muske, Virginia Glass and  
Gertrude Muske. All passed with  
high averages.

More than 100 representatives of  
San Fernando valley communities at-  
tended a banquet Thursday night in  
the Porter hotel at San Fernando at  
which the San Fernando Valley fair  
this coming September was planned.  
E. F. Sanders spoke for the Glen-  
dale Chamber of Commerce, being a  
representative of the industries here.  
His speech was the event of the eve-  
ning. Six others from here were  
present and took part in the meet-  
ings of the committees on various  
departments.

## Four Prior Liens

Against every estate:

Lien No. 1—The Undertaker's  
bill.

Lien No. 2—The Federal Es-  
tates tax.

Lien No. 3—The State Inheri-  
tance tax.

Lien No. 4—The expense of Ad-  
ministration.

And each and every one of these  
liens must be paid in full in cash,  
before the heirs come in for any-  
thing above the \$40,000 of life  
insurance, which is exempt.

If your insurance is not up to  
this mark, at least, wouldn't it be  
the height of wisdom to increase it  
to that amount at once?

I will be glad to advise you as  
to the best kind for you.

## Locals And Personals

Harry E. White of 635 1/2 North  
Orange street left last night for a  
trip through the Antelope Valley.  
This is a business and pleasure trip  
combined and he expects to be gone  
until about Sunday evening.

Mr. and Mrs. J. F. Stanford of  
1147 East Wilson avenue have issued  
invitations for a dancing party to be  
given in honor of their daughter,  
Miss Mildred, at the Masonic temple,  
Wednesday, June 22, with dancing  
from 8 to 11:30 p. m.

Members of the Junior Auxiliary  
of the Glendale Music club of which  
Miss Veda Knapp is president, left  
Glendale at noon today for Santa  
Monica, where the first annual picnic  
of that auxiliary will be held. A  
picnic dinner and an evening along  
the pike are some of the features  
planned.

their twenty-fifth wedding anniver-  
sary, June 18. Rev. Willisford was  
formerly pastor of the First Con-  
gregational church, but left Glen-  
dale last summer for Texas. They  
are now at 407 Stratton avenue,  
Houston, Texas.

Mr. and Mrs. K. C. Sipple are en-  
joying a visit from Mr. Sipple's two  
daughters, Mrs. Clara Martin and  
Miss Ida Sipple. It is six years or  
more since they left Glendale and,  
naturally, they are surprised at the  
marvelous changes in that time in  
Glendale's appearance. They have  
been living in Pennsylvania where  
Mrs. Martin will return. Miss Sip-  
ple is considering Glendale as a per-  
manent residence.

## Classes Of Cerritos Avenue School Meet At Social Gathering

The B8 class of the Cerritos Ave.  
school entertained the AS class last  
night at a very delightful party,  
given at the home of Pauline Rich,  
1217 South Glendale avenue.

The house was very appropriately  
decorated in the class colors, blue  
and gold, and in the dining room  
blue and gold streamers were fasten-  
ed from the corners of the room to  
the dining table and were fastened  
on the end by little baskets of candy  
in the same color.

The party was chaperoned by the  
class teacher, Mrs. Anna L. Curtiss,  
Mrs. Eustice B. Moore and the host-  
ess' mother, Mrs. C. M. Rich.

During the evening games were  
played and refreshments of ice cream  
and cake were served.

Those present from the AS class  
were: Alice N. Anable, Caroline Bly,  
Katherine M. Care, Kathleen Carr,  
Golburn Robert Danner, Oswald  
Higgs, Joseph Forbes, Ruth Goto,  
Thelma Kathryn Grote, Audrey Eliz-  
abeth Haynes, Mildred Louise Moody,  
Eustace Benton Moore, Helen A.  
Page, Maurine Cynthia Pemberton,  
Richard Francis Ryan, Walter Harry  
Tyler, Catherine C. Weihe, Harriet  
A. Wilbur.

The member of the B8 class pres-  
ent were: Dolly Palmer, Margaret  
Elmore, Elsie Whitney, Dorothy  
Howe, Nadaline Martino, Tresala  
Martino, Evelyn Sullivan, May Sulli-  
van, Charles Boring and Ernest Mar-  
quello.

They report a very good time and  
this is probably the last time that  
the two classes will be together.

## Miss Mona Gardner Is Complimented On Work

Last night the brilliant cast of  
"Mary's Millions," the senior class  
play of the local high school, made  
its final appearance before an even  
larger audience than was present on  
the opening night. Each one of the  
youthful players enacted his or her  
part in the sparkling, three-act com-  
edy with such tact and ability that  
the play was afterward announced  
to be the most successful, both dra-  
matically and financially, in the his-  
tory of the school.

A large amount of credit for the  
success of the production is due to  
Miss Mona Gardner, who is the head  
of the school dramatic department.  
For weeks she has spent several  
hours, every afternoon coaching the  
cast, and it is on account of her  
ceaseless efforts that the event has  
proven itself to be the peer of local  
amateur productions.

Also, the splendid, twenty-five-  
piece high school orchestra, under  
the able leadership of Mrs. Dora L.  
Gibson, is deserving of a share of  
the glory. Before and after the per-  
formances, as well as between acts,  
the orchestra entertained the audi-  
ences with a number of beautiful se-  
lections.

## I. O. O. F. MEMORIAL SERVICES

The memorial services of the Inde-  
pendent Order of Odd Fellows will  
be held Sunday, June 12, at their  
cemetery, 3640 Stephenson avenue,  
Los Angeles. They will decorate the  
graves at 10 a. m. and other services  
will be at 2:30 p. m. A very pleas-  
ing program has been arranged. Owing  
to the death of Mrs. Ada Madis-  
on's mother, she has withdrawn  
from the program and Hon. Wm. H.  
Barnes, Grand Scribe of San Francis-  
co, who is sojourning in the south-  
land, will speak in her place.

## A. H. FINK VISITOR HERE

A. H. Fink, station agent of the  
Southern Pacific at Newman, Calif.,  
accompanied by his family, is visit-  
ing his parents, Mr. and Mrs. Jacob  
Fink of 228 North Maryland. Mr.  
Fink will leave tomorrow for a  
month's visit in Minnesota, while his  
family will remain here.

## PROJECT TO LOWER RAILWAY'S TRACKS ON BOULEVARD

Improvement Association Is  
Urging City To Establish  
Grades At Crossings

(Continued from Page 1.)

sisting of Charles Appenfelder, chair-  
man; S. Berman, Frank Hester, S.  
A. Davis and B. M. Billings, was ap-  
pointed to confer with the city and  
recommend the kind of paving to be  
put in, also to prepare a petition to  
be signed by the property owners of  
that section asking the city to take  
legal proceedings for the improve-  
ment of that portion of Brand bou-  
levard, and that assessments to cover  
the cost of this paving be on the basis  
of two-thirds to the district, which  
would include the frontage on Brand  
and half a block on either side, and  
one-third to the railroad.

A motion was carried appointing  
a committee composed of Kemper  
Campbell, chairman; Hartley Shaw  
and T. W. Watson, for the purpose  
of taking up and pushing to comple-  
tion the matter of improvement of  
the right of way throughout the city,  
north of Los Feliz, as to destroying  
weeds and putting it in a slightly con-  
dition, and oiling same. South of  
Los Feliz Road the right of way to be  
parked or otherwise put in slightly  
condition.

**Widening Brand Boulevard**  
At this time the question of widen-  
ing Brand boulevard at San Fernando  
Road came up for discussion. Mr.  
Watson explained the two plans be-  
ing considered by the city:

- 1—The plan of purchasing fifty  
feet at the northeast corner.
- 2—The plan of accepting a deed  
for a strip of land at that point  
sufficiently wide to round the cor-  
ner and make an easy approach  
into Brand boulevard. The asso-  
ciation passed a motion recom-  
mending the trustees of the city to  
accept the latter plan.

Other items reported by Mr. Wat-  
son were to the effect that the Pacific  
Electric has agreed to install an auto-  
matic signaling device at Brand  
boulevard and Los Feliz Road, and  
that this company has also agreed to  
dedicate the crossing at Gardena ave-  
nue for street purposes. The South-  
ern Pacific company has agreed to  
pave the west roadway of Brand  
across their right of way. That com-  
pany is also being requested by the  
railroad commission to put in auto-  
matic safety gates at that crossing.

Mr. Berman brought up the mat-  
ter of additional crossings over the  
Pacific Electric tracks all along  
Brand boulevard. A motion was car-  
ried that a committee be appointed  
to make a survey and request the  
board of trustees to take action to  
secure these crossings. This com-  
mittee was appointed as follows: L.  
G. Scovern, C. J. Orff and J. W. Usil-  
ton.

## Officials Are Named

At this time a nominating commit-  
tee was appointed to present names  
of people to fill the office of pres-  
ident, vice president and secretary.  
Their report, which was as follows,  
was reported by the association:  
Mattison B. Jones, president; Kemper  
Campbell, vice president; Charles B.  
Guthrie, secretary.

Mr. Orff brought before the asso-  
ciation the necessity of giving con-  
sideration to a proposed zoning or-  
dinance which had been presented to  
the board of trustees and which, if  
adopted as proposed, would permit  
the erection of a \$3500 residence on  
North Brand boulevard and would  
prohibit the erection of a \$35,000  
hotel or other business establish-  
ment.

The meeting then adjourned to  
meet at the call of the president.

## SUNDAY CLOSING

Monday evening, 7:45, at hall over  
Glendale Branch Library (Tropico  
City Hall), there will be an open  
meeting of the Good Government  
League.

The speaker of the evening will  
be Rev. W. F. Martin, associate edi-  
tor Liberty Magazine, who will give  
an enlightening exposition of the  
National movement on foot seeking  
Sunday closing and other religious  
legislation.—Adv.

## Washing Wisdom, and Colors That Run

Every housewife knows there are  
colors which will run, unless  
washed just so.

Our washing experts know it, too.  
When your family bundle comes to  
us, everything is carefully as-  
sorted—silks here, woollens there,  
colored goods in one lot, white  
goods in another.

All of these classes are washed  
separately and carefully.

Kiddies' rompers, babies' things,  
school dresses and waists, frilly  
blouses—everything that needs  
washing—may be safely included in  
your family washing when you  
send it to us.

gallery and parish hall are used will be about 750. The pews, pulpit, communion table, font, clergy seats, choir, console and organ are arranged with dignity and spaciousness.

Large Recreational Hall  
The parish house wing of the building is arranged for grading the church school classes, and a large recreation hall will occupy the basement of the nave; adjacent will be the kitchen and pantries. The pastor's office and secretary's room will be on the main floor near the parish entrance.

In the angle of the building and on the corner of the street will be a garden behind a low wall. The level of the garden will be below the street level to make the basement rooms better lighted and ventilated and to add to the picturesqueness of the landscape gardening.

New Building Necessary  
The need for increased facilities in order to properly meet the demands of the situation has been urgent for several years and it is felt that the opportune time has now arrived for securing these facilities. Established in 1911 under the faithful leadership of Dr. E. H. Willisford, and developed to its present thriving condition through the earnest endeavors of Dr. Willisford and his able successor and present pastor, Rev. Charles M. Calderwood, the church has reached a point where a new and commodious building is essential to its continued high service and usefulness.

The church building committee is composed of the following: Blake Franklin, chairman, Thomas White, E. D. Yard, Hartley Shaw and Charles B. Guthrie.

Drive Now Under Way  
The cost of constructing the new building will be approximately \$60,000. To raise this amount an earnest canvass is now being carried on among the members and friends of the church. In order to render the payment of subscriptions as little burdensome as possible, a plan of installment payments has been devised. With this plan of small payments, extending over a period of three years, it is felt that every one interested is in a position to make a substantial subscription, with the result that the amount needed will be speedily raised.

South Glendale Folk  
Select Name Of Club

At a meeting held last night in the municipal building, Los Feliz and Brand boulevard, with a large attendance of southern Glendale citizens, The Glendale Gateway club was the name adopted for the recently organized association which has for its object the improvement and advancement of the southern part of Glendale.

The meeting was presided over by Stuart Street, president, with Mrs. E. V. Bacon, secretary. Various committees reported, and outlines of work to be accomplished were discussed. It is proposed to complete preliminary plans and get down to a working basis at its next meeting, which will be held next Thursday night at 7:30 o'clock. Meetings will be held every Thursday evening at the same place and hour.

All those who have any suggestions to make for the betterment of conditions in this section of Glendale are requested to come to the meetings and present them. Membership is extended to all who are interested in the development of this part of Glendale.

## AUTOMOBILE SECTION

Glendale Evening News, June 11, 1921

**DEMAND FOR AUTOMOBILES STEADILY INCREASING**  
Coming at the selling peak of the year in southern California, the price reductions announced by the majority of motor cars represented in Glendale has caused a decidedly "bullish" effect among the buyers.

In fact, the skyrocketing sales of pleasure cars would indicate that a shortage is soon to be encountered as people who never purchased cars before are doing so now at decided savings to themselves. It is to wonder how the mechanically perfect and beautifully designed creations of automotive industry can be produced as reasonably as they are priced today.

Some people believe that it is only a matter of months, or maybe weeks, before the market is stabilized and prices will go up again. It is certain that if the east were buying a normal number of cars, there would be no price concessions on the Pacific coast.

## INCREASE IN SALES OF STUDEBAKERS IS CONTINUING

Price Adjustments Made By Corporation And Demand Is Exceeding Supply

April sales of Studebaker motor cars were 6,589 against 2,602 of last year and May 7,400 against 4,034 of last year, according to a statement by A. R. Erskine, president of the Studebaker corporation, which was received yesterday by the Packer Auto company, Colorado and Brand boulevards.

"We have unfilled orders on hand for about 7,000 cars," continues Mr. Erskine's letter. "In the first quarter we did 13 per cent of the total business of the country and this quarter 15 per cent of the total business, excluding Ford."

"We are today making price adjustments based on lower costs, in addition to the reduction made eight months ago, and anticipate continuing our record through the year. The reductions in the prices of motor cars which are now occurring are a good thing for the industry, because they will assist in the restoration of confidence and stability."

**Can't Return to Pre-War**  
"Prices cannot return to pre-war levels, because quality standards are higher, and wages will not return to pre-war levels. Manufacturers of popular, well established, standardized cars, made complete in their own factories, will be able to make satisfactory profits at new price levels, and the automobile industry will flourish and prosper 'if, as and when' any industry in the United States is able to do so."

"Our automobile industry is a stalwart giant and not a puny weakling tottering to its grave as some people seem to think at the present time. In our present general depression, this industry has stood up well, and operated at as high a percentage as any industry."

"The United States is the world's market for motorears, and our industry will continue to lead all others in the value of exports of manufactured goods."

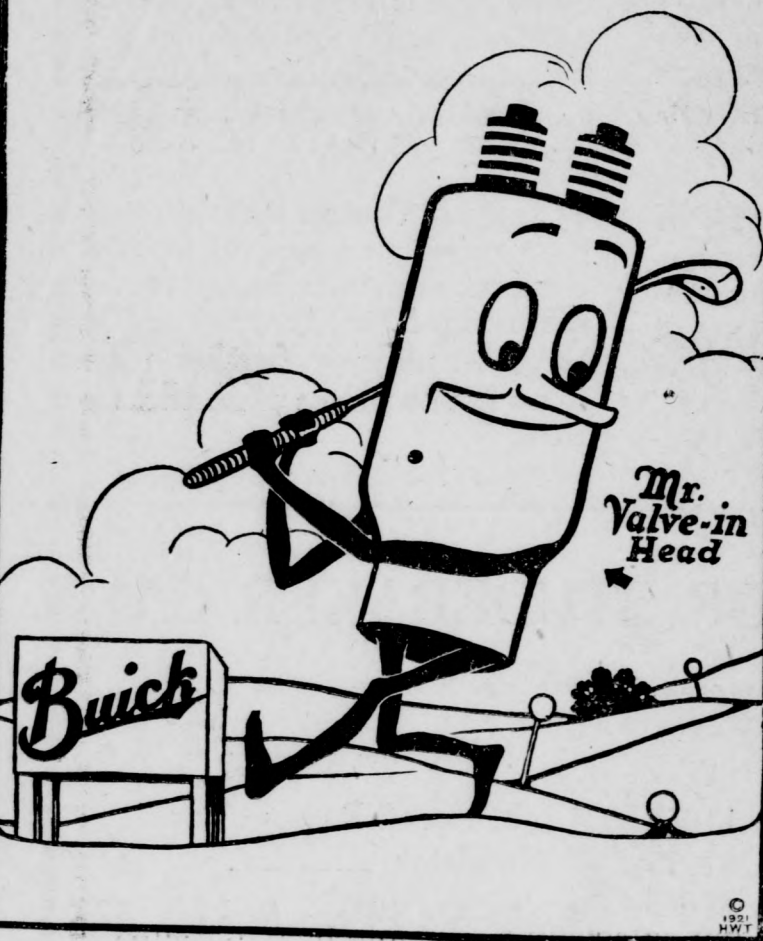

## George E. Clayton States Dodge Sales To Greatly Increase

George E. Clayton, Glendale and Burbank representative of the Dodge Bros. Motor company, while in The Evening News office Wednesday said that the substantial price cut on Dodge automobiles was proof that this great auto company never did things half way, as the reduction is the most drastic in proportion to the cost of the car than has yet been announced.

This, coupled with the already steady demand for Dodges will insure maximum production, and make it necessary for prospective owners to get their orders in immediately if they would expect prompt delivery.

An order issued by the superintendent of schools of New Bedford, Mass., forbids the use of cosmetics by teachers. Short skirts were also included in the ban, but the length was left to the teachers' discretion.

## Demand For Buicks Steadily Increasing Says Tanner & Hall

Double and treble sales since the new prices were announced, is the report from Tanner & Hall, local Buick representatives. It would seem that the material saving effected in the Buick has hit a responsive chord in Glendale and buyers who have been delaying the purchase of a new car for months (yes, some of them years) are now coming to the fore and getting the latest model with all of its improvements at a price that compares favorably with pre-war low levels.

## 'Heart Of Maryland' At Glendale Tonight

For the last times today the great Civil War spectacle, "The Heart of Maryland" will be the feature at The Glendale Theatre with Mrs. Virginia Freeman singing "My Maryland" and Miss Dorothy Taylor, balladist, contributing much to the program. Last night the amateur vaudeville was excellent and today everyone in town is being told of the excellence of the Glendale Theatre offerings.

A classic of colloquial American literature has been given life on the screen in "Desperate Youth," which will be the principal attraction at the Glendale Theatre tomorrow with Gladys Walton in the starring role. The story was filmed at Universal City from "A Kentucky Cinderella," by F. Hopkinson Smith.

Combined with this feature attraction on Monday night Manager William A. Howe announces that the wonderful Meiklejohn and Dunn vaudeville road show of five acts will play at regular prices. The Junior revue with ten clever kiddies is the feature while four other Orpheum and Pantage stars round out the bill. Glendale certainly is getting great shows for its money.

## Grandparent Dies At Age Of 112 Years

### MUSIC SECTION LUNCHEON

The final meeting of the music section of the Tuesday Afternoon club, of which Mrs. Charles L. Marlenee is curator, will be in the form of a luncheon, followed by a program, to be held Monday at the White Inn. There will be musical numbers by the Nevin quartette and vocal solos by Mrs. Parker. After the luncheon it is planned to have addresses by the guests of honor, Mrs. Cecil

Frankel, president of the state federation of music clubs, and Mrs. Matison B. Jones, vice-president of the federation, and also by Mrs. C. E. Hutchinson, president of the Tuesday Afternoon club.

Opium secreted in lemons selling at high prices was revealed when detectives investigated a run on the lemon market in the Chinese section of Pittsburgh, recently.

Four hundred and fifteen negroes have been lynched in Georgia since 1885.

## STOCK OF PARTS ON FORD CAR ALWAYS FOR EMERGENCY

Genuine Materials Should Be Obtained For Protection Of Automobile Owner

In the smaller towns all over the country where the dealer and distributor stations are small, they are for the most part not in a position to keep on hand at all times a complete stock of parts necessary to meet the call of every motorist or truck owner. When replacements have to be made they, therefore, have to send back to the factory for the needed parts.

Here is where the Ford car receives the most wonderful service that has yet been attained, because all the dealers over the country carry a complete stock of parts and there are countless authorized parts service stations where the genuine parts can be obtained immediately.

### Seek Better Service

There is a movement on foot fostered by the desire of truck and car owners throughout the country to have the different unit parts service stations where the motor car or truck owner will be able to obtain the genuine immediately for each truck manufacturer's product. Often when the genuine cannot be obtained, they have to take imitation parts because they cannot wait ten days or two weeks for the standard parts to come from the factory. Thus they jeopardize their car or truck because the manufacturer of the parts they need does not give the best possible service to their parts users.

The importance of this movement can readily be realized when motorists or truck owners stop to consider that there are only seven or eight makes of cars or trucks which are manufactured and assembled all in the same factory. All the rest are assembled from many different standard units.

### Not Giving Fair Deal

"It certainly is not giving the public a fair deal when these splendid parts manufacturers do not co-operate with their parts users, which is the public, to the extent of making it a simple matter to obtain the genuine parts for replacements," said Jesse Smith, local Ford agent.

"Motorists and truck owners should not have to fight for after-service, but that is virtually what these manufacturers are forcing these owners to do. We firmly believe these well-known unit manufacturers should be able to establish a service system which will give twelve-hour service instead of ten or fifteen days as is the case."

### Gardner Auto Drops \$200 In Price, Word Sent B. G. Sutherland

Telegraphic advices received this morning from the factory in St. Louis informs B. G. Sutherland, local dealer, that the Gardner car has dropped \$200 in price, which permits its sale in Glendale at \$1195, delivered, as compared with \$1395 previously.

Mr. Sutherland is highly elated at this announcement inasmuch as it means he will have an additional talking point for the car which "speaks for itself." It is an old saying that nothing speaks louder than price. If this is true, there seems to be no question of increased sales for the Gardner this summer.

### Flood Benefit Monday Night At Tabernacle

Thousands of tickets are being sold by school children for the second presentation of "The Deceitful Skule," which will be at the Christian Endeavor auditorium, corner of Harvard and Orange streets, on Monday night at 8 o'clock. A specially constructed stage for the large cast is being erected and it is expected a packed house will greet the City Teachers' club players in their benefit for the Colorado flood sufferers.

It is announced that Mrs. Enoch Hopkins, harpist, will render several selections as an added attraction.

### Brotherhood To Hold Big Meeting Tuesday

The annual "Ladies' Night and Banquet" of the Federated Brotherhood will be held at the First Methodist church on Tuesday night, June 14, at 8:45 o'clock. The dinner will be served by the ladies of the church and, of course, will be generous and good. The tickets may be had of representatives in each Protestant church.

A prominent speaker from Los Angeles will give the principal address. The motto of the Brotherhood—"A clean city kept clean." is always the keynote of these meetings. A large attendance is expected. The public is most cordially invited.

## An Announcement by The Studebaker Corporation of America

Eight months ago, when the costs of material and labor appeared to have reached their peak, we made substantial reductions in the prices of Studebaker cars. There reductions were in anticipation of our ability, after the turn of the year, to purchase materials and to fabricate them at lower costs.

The expected savings have been realized.

With them, other savings have been made, as a result of the greatly increased volume which Studebaker has this year enjoyed.

During the first five months of 1921, our volume of business has exceeded that of any other automobile manufacturer except Ford.

The Studebaker plants are running at capacity with unfilled orders on hand for over 7000 cars.

In this quarter we shall produce 21,000 automobiles against 11,000 in the corresponding period of last year. This is an increase of approximately 100 per cent.

No other automobile manufacturer is making a comparable showing.

We believe that the confidence of the buying public, which has made and is making this record possible, will continue, because it is supported by the quality and value of our products, and these we shall uphold.

We expect that as a consequence the present economical and efficient production basis can be maintained and that we are justified in making further reductions in the prices of Studebaker cars.

### Robert Lee M'Laren's Marriage Is Announced

Mr. and Mrs. Malcolm McLaren of 303 North Jackson street announce the marriage of their son, Robert Lee, to Miss Marie Goldberg of Los Angeles. The wedding took place Monday morning at the Broadway Christian church in Los Angeles, the Rev. Buchanan officiating. After the ceremony the happy couple left for a short wedding trip.

Robert McLaren served with the Ninety-first Division all through the war and it was the cheerful letters of Miss Goldberg and Mrs. McLaren that kept him brave and full of hope. He is now in the government employ, serving as mail carrier in Los Angeles.

Mr. and Mrs. McLaren will be at home to their many friends after June 15 at 430 North Beaudry street, Los Angeles.

### Dr. Frank L. Riley To Give Lecture Sunday

Dr. Frank L. Riley, metaphysical lecturer of Hollywood, will deliver a free lecture Sunday morning, at 11 o'clock, in Masonic hall, on the subject, "The Psychology of Success."

Dr. Riley, who is a lecturer of international prominence, has been lecturing in this locality for years. He caters to those especially who have sufficient initiative to do their own thinking, those who do not pay someone to think for them. The advertisement regarding the lecture appears elsewhere in this issue of The Evening News.

### Glendale's Camp Of Modern Woodmen Is Formed; Name Officers

Glendale Camp No. 12886 of the Modern Woodmen came into being as one of Glendale's own last night, with over sixty names of members living in Glendale, written on the charter. This new camp was organized by District Deputy A. P. Martin of Pasadena, assisted by Attorney Henry Molz of this city. The Southern California Boosters' association and the team from Pasadena Camp of the Woodmen had charge of the initiatory work and over 100 members of the society had a treat in witnessing the exemplification of the dramatic form of the ritual.

This Camp will hold its regular meetings in the L. O. O. F. hall on the second and fourth Fridays of each month. The following officers for the year 1921 were elected:

Consul, Otto Martin Clinton.  
Past Consul, J. W. Jones.  
Advisor, Jos. A. Rockwell.  
Banker, A. T. McBeth.  
Clerk, Henry Molz.  
Escort, Robert L. Heinsius.  
Watchman, C. A. Bunting.  
Sentry, W. B. Canaday.  
Trustee, three years, David Carney.  
Trustee, two years, Geo. T. Paine.  
Trustee, one year, G. F. Staub.  
Physician, A. W. Teel and Harry C. Smith.

At the next regular meeting steps will be taken for the organizing of a drill team for the Camp. It is expected that all old members of the society living in and near Glendale will transfer their membership into this Camp and become boosters for their home city, and it is predicted that this Camp will have nearly 200 members by the end of the year.

## P.-T. A. FEDERATION HEARS TALKS UPON VARIED TOPICS

Thrift, Ethical Pictures On Screen And Experiences In War District Described

(Continued From Page 1.)

The importance of thrift at this time in connection with helping the country pay the large war debt which is still owing. Mrs. Dow told of the various countries of Europe being far ahead of this country as regards the proportion of savings bank accounts per thousand inhabitants, the ratio in this country being only 110 to every thousand inhabitants. She also told of the ruling which has been made in France as regards the disposal of war bonds, this being restricted except in cases of absolute necessity.

**Speaks on Better Films**  
A. Lincoln Hart, president of the Ethical Motion Picture society, then spoke on "Better Films." He stated as follows:

"The motion picture reaches the interest of everyone. This medium can be and is going to be the greatest moral force in the world. The motion picture industry is one that takes in every trade, profession and art."

Mr. Hart then told of the aims of the Ethical Motion Picture society, a chapter of which is soon to be formed in Glendale. "The people of the world can be inspired to better lives through the medium of the motion picture. There is nothing which has the same attractive appeal," he said. "There are 18,000 motion picture houses in the United States, with a weekly seating capacity of 50,000,000 people."

Mr. Hart also told of the importance of the motion pictures in elevating the mind and the mental plane of the people of the world. The chief aim of this society is for the promotion of better films, pictures which elevate and inspire.

**Experiences While Prisoner**  
Another very interesting speaker was Dr. G. T. Pomeroy, who told of his experiences while a prisoner in Turkey.

"One of the things which impressed me," he said, "was the fact that people, whose ancestors were capable of constructing such buildings as were evidenced by the excavations of ruins nearby, could have degenerated to the level they had. The houses had no chairs, tables or beds. A mere existence, not much more."

"I began to study the big question of 'why the degeneracy of the people' and tried to work it out. It was not malaria, because these conditions were also prevalent in districts where there was no malaria. I finally came to the conclusion that it was hate in the heart, as well as fear. Under hate all ambition is inhibited. The people do only what they absolutely have to do and not much more. Another symptom was the almost complete mental perversion of sight toward the other person."

**Into Russia and Egypt**  
After leaving Turkey Dr. Pomeroy went into Russia and later into Egypt.

"In both cases," Dr. Pomeroy continued, "I found the same disease of hate in the heart. The same was true in Palestine and Jerusalem. When leaving Jerusalem at Easter time there were troops of infantry and cavalry entering the city to keep peace among the different kinds of Christians. Hate again. Going to London on the boat there were some Scotch Protestants and Irish Catholics aboard. Here again this same disease was in evidence. How much have we of that here?"

**Officers Are Installed**

Mrs. H. R. Archbald of South Pasadena then called upon the officers-elect of the various Parent-Teacher associations and greeted them, after which she installed the following officers of the federation: Mrs. John Robert White, president; Mrs. P. O. Lucas, vice president; Mrs. M. S. Kuehny, recording secretary; Mrs. P. J. Prialux, treasurer; Mrs. H. V. Brown, corresponding secretary; Mrs. J. C. Kinzy, historian; Mrs. H. V. Henry, auditor. Mrs. White stated that the president's report of the convention and the report of the historian would be published at a later date in the newspapers.

Another splendid number on the afternoon's program was a group of three vocal solos by Mrs. Robert Wankowski of Venice, with Mrs. Walker as accompanist. She chose for her solos "Just One Day," "By the Waters of Minnetonka," and "Winds in the South."

This was the closing number of a most interesting program which closed the year's calendar of events of the Glendale Federation of Parent-Teacher associations.

Declaring that the present primary school systems were unattractive, Thomas A. Edison expressed the opinion that the substitution of motion pictures for books in the nation's elementary schools would bring about an advancement of ten centuries in civilization in twenty years.

An average spruce tree yields about 500 pounds of paper when it is reduced to that product.

### Oak Street Club Is In Favor Of Deferring Proposed Improvement

Editor The Evening News:—At the regular meeting of the Oak Street Improvement association held June 9 at the home of Mr. and Mrs. F. A. Clarke, 351 Oak St., the committee of five who were appointed to confer with our city manager, T. W. Watson, relative to ascertaining the city manager's views on the proposed improvement of Oak street, made their report and presented the following resolution which was adopted unanimously.

There were thirty property owners of Oak street present, representing nearly 50 per cent of the abutting property of the street. The resolution:

Whereas, As stated by the city manager, the cost of materials and labor is still on the decline, and

Whereas, The city manager also informed the committee that at an early date an additional pressure of twenty-five pounds to the square inch would be added to the water system of Glendale, including the present two-inch, twenty-year-old main on Oak street, and

Whereas, The city manager states as his opinion that the present main is likely to give good service for many years to come, it is the opinion of the committee that under the existing circumstances it would be extremely impractical to ask the city to entail the expense of lowering the present main and the abutting property owners to the expense of improving the street with the possibility of the main failing to withstand the anticipated additional pressure, which would necessitate the tearing up of the street for repairs and later on probably an entire new main, therefore, be it

Resolved, That the Oak Street Improvement association decides that it will be to the interest of all concerned that the improvement of Oak street be deferred to at least the date when it will be determined whether the present main will withstand the added pressure, whether it will be safe and economical to retain it and improve the street over it.

On motion the secretary was instructed to spread the above resolution on the minutes, mail a copy to T. W. Watson, city manager, and request space for the same to the editors of each of our local papers.

Very respectfully,  
F. A. CLARKE, President.  
MRS. E. F. TATLOW,  
Secretary-Treasurer.

### 'Buried Treasure' Is Palace Grand Feature

Director George D. Baker, after he had finished making the Cosmopolitan picture, "Buried Treasure," starring Marion Davies, which comes to the Palace Grand Theatre today only, asserts that the scenes taken for this production in Topanga canyon, against a background of peaks, outcrops anything of the kind yet done in films.

The setting demanded by the script was a seventeenth century castle in Spain. Mr. Baker says that when he and Joseph Urban, the famous scenic artist, came on this particular bit of territory on their quest for a site, they saw its rich possibilities but were shy of its wildness. However, the Urban eye cut its way through the growth of centuries and with the help of three Moorish arches and a balustrade he created his effect.

And then for the first of the week folks! It's Jackie Coogan (the Kid) in "Peck's Bad Boy," which was filmed right here in Glendale. While the local interest should be enough to stir every person who has ever visited Broadway and Brand, the youngster himself is well worth seeing. Irvin Cobb wrote the titles and Sam Wood, who paid for many a meal for his company here, directed the film which was a knockout on Broadway and greater success in Los Angeles.

Of course, there are other attractions, but they are overshadowed by the feature.

### 'Keeping Fit' Subject Of Rex Kelly's Talk

The final business meeting of the year of Group II of the Glendale H. Y. society took place Thursday night at the Y. M. C. A. headquarters on East Broadway with the president, Fred Stofft, in charge. A record crowd of members turned out and the gathering at the session was the most interesting and successful of the entire year.

The evening was spent in a number of talks by several of the boys and their advisors, reports of different committees and the election of officers for the coming year. Rex Kelly, who is head of the Young Men's Christian association in Glendale, was the main speaker of the occasion, giving the boys an interesting and helpful talk on "Keeping Fit."

The following boys were chosen to guide the destinies of the society for the ensuing year: Cecil Wilson, president; Neil Melver, vice-president; Paul Edmonds, secretary and treasurer. The retiring officers are Fred Stofft, president; Fred Hand, vice-president, and Clarence Hall, secretary and treasurer.

The Girls' Athletic club of Glendale Union High school are picnicking today with Miss Florence Knight.

### Program By Children At Lutheran Church

"Festal Offerings," a children's day program, will be given at the First Lutheran church Sunday night at 7:30 o'clock. The special music will include a solo, "Remember Now Thy Creator," by J. H. Niebank, and a whistling solo by Mrs. F. J. Bowman.

Some of the "Festal Offerings" are: "Whispering Winds," "Voices of Nature," and "Summer Time Is Here Again." Class songs will be rendered by the primary department. Recitations and exercises will be given by the following persons: Gladys Muske, Marjory Majory, Ruth Sherwood, Jack Hoffman, Harold Foss, Gertrude Muske, Margaret Anderson, Wilhelmina Rieth, and a reading set to music by Mary Louise Bowman. The evening offering is devoted to the Orphans' Home. You are invited to attend.

### Oscillating Razor Is Now On Sale In City

M. G. Harman, formerly of Pittsburgh, Pa., who has taken a home at 827 South Verdugo road, with his wife and daughter, is the California, Oregon and Washington representative for the Rotary King Safety razor. It is a new invention which is claimed to revolutionize the safety razor industry, inasmuch as the blade oscillates. To say that it works similar to a mowing machine may seem facetious, yet that exactly explains the principal. Mr. Harman has his headquarters at 333 West Second street, Los Angeles, from which he directs the sales on the coast. He is introducing the Rotary King locally at the present time.

### Miss Alma Geiger's Pupils Show Talent

A very pleasing program was given by the pupils of Miss Alma M. Geiger, pianist, Friday afternoon, June 10, at her studio, 627 North Central avenue. Many of the pupils showed remarkable talent. Compositions were by modern French and American composers.

Miss Frances E. Payne, violinist, played two excellent numbers in a most pleasing manner. Those taking part were: Hilda Baden, Vests Carl, Cleona Strickland, Margaret Kenoth, Bernadine Darnell, Frances Harper, Margaret Crawford, Elizabeth Herrington, Romelda Schlottzhaner and Mrs. Jerry Youngs.

Wilmington, O., has a girl fire truck driver who answers all calls promptly with the other firemen.

### Union Service Behalf Of Graduating Class

Baccalaureate services for the graduating class of Glendale Union high school will take place tomorrow night at the First Methodist church.

All of the churches of Glendale are combining in a union evening service in honor of the graduating class.

Several years ago the plan was formulated of having these union services yearly in honor of the graduates, the speaker for the evening being taken alphabetically from the pastors of the various Glendale churches.

This year the sermon will be given by Rev. E. E. Ford of the Baptist church. The musical program is also in charge of the church people.

### TWO INJURED IN CRASH

In an automobile smashup last evening at the intersection of West Chestnut street and Brand boulevard two people were slightly injured and the cars sent to the garage for repairs.

James Neill, actor, residing at 126 West Lomita, suffered slight contusions on the chest. He was driving one car. A sister of A. W. Cadot, who was driving the other car, collapsed from the shock but was soon revived. According to the police report, it was an unavoidable accident.
